September 2017

Dear Parent/Carer

Congestion and safety issues

We wanted to take this opportunity to welcome you back to the start of a brand new school year but also remind you about the school's **NO CAR** policy.

The driveway outside the main entrance is a strictly **NO THROUGH/NO WAITING** zone. If you absolutely have to drop off and collect your child by car you will need to make arrangements to drop them or collect them from an alternative location, using the public roads around the school.

The increased numbers of cars entering the site on arrival and at home time has seen a significant amount of disruption to the flow of traffic along the Morda Rd, this however is not as concerning as the potential risks to our students when cars are blocking the entrance and parking in unauthorised areas.

Only taxis and those students with specific medical needs will be given passes to come through the school site.

If your child has mobility issues and you wish to apply for an access pass, please e-mail admin@marchesschool.net and a member of staff will contact you to discuss your specific needs.

All students will be reminded that they may only leave the site by the steps at the front of school and not via the barrier entrance. Staff will be supervising the area and moving on any unauthorised vehicles.

Thank you for your co-operation.

Thank you in advance for your kind cooperation.

Yours faithfully

Mrs A Pearson

Headteacher
