Dear Parent/Carer

### **Student Leadership Update**

Over the past term we have been working with staff and students in the school to review the Student Leadership structure to ensure that everyone in the school has a voice. As part of the changes we will be forming a Key Stage 3 student leadership group to work alongside our existing Key Stage 4 group.

Over the past 2 weeks students have been selecting Tutor Group representatives and over the coming week we will be asking for applications from these students for the Key Stage 3 leadership group. In order to apply we would ask that students write between a paragraph and a page of A4 explaining why they would like to stand for election to the group.

The elections for the posts will be held on the week of the 28<sup>th</sup> November 2016.

Other changes to the Student Leadership in school include the development of a Whole School Council and a Tolerance Group to provide the students with a forum to discuss an aspect of the 21st Century which interests or affect them. The first topic for discussion is Bullying and how we can tackle it in our school community.

As always we would like to thank you for your support with the extra-curricular activities we run in the school.

Yours faithfully
