MARCHES WEEKLY BULLETIN

Dear Parents and Carers,

Enrichment Opportunities

I often say this, but it does need repeating – we are so fortunate to have many staff who give of their personal time to support student experiences – 30 staff took 412 students to Alton Towers last weekend and over the Easter break we have trips to Germany, Spain and Disneyland Paris – netball tournament.

We are thrilled for one of our **Year 13 students** who has gone through a challenging selection process to win a one-year English Speaking Union Scholarship to the USA for senior year - as good as it gets in terms of institutions and opportunities and something we hope other students now aspire to.

Year 8 Parents' Evening – Responses to Feedback

Be assured that we take the time to read all feedback and take action where we see issues we can solve.

The following are some of the comments received with our responses:

Informing home about detentions

We always give at least a day's notice for these, unless a call home is made for agreement about a detention that night. Our method for sharing a detention with home is by writing the date, time and reason for a detention in the student's planner.

Splitting Parents' Evening into W and K halves

It is once a year for each parent, but through the school we already use 10 Thursdays in the year to hold a parents' evening; these make the working day up to 12 hours for those days and so extra evenings would reduce the time we could set aside for teachers' other activities such as planning and marking. Teachers will aim to accommodate all parents and carers who would like an appointment and our policy is to ring home if there are specific concerns rather than waiting until a parents' evening.

Afterschool Clubs – all sport or drama

I have passed this comment to Mr Martin who leads on our enrichment programme – we rely on staff goodwill to set-up and run a club and are very grateful to those who do. If you feel you could support us in running a club, perhaps for a set number of weeks rather than a whole year's commitment, please contact [Mr Martin](#).

Year 7 Football

Last Friday the Year 7 football team won the Shropshire President's Trophy 2-1 against Idsall School at SCAT in Shrewsbury. The students found themselves 1-0 down at half time. Captain Jay Barrow equalised from the penalty spot with George Chapman scoring immediately after making it 2-1. The Marches School team were able to hold on to victory with Man of the Match being awarded to Tom Hotchkiss as goalkeeper. This win is the second for the team who were also crowned North Shropshire five-a-side champions back in the Autumn. The team consists of Year 7 students Tom Hotchkiss, Harry Morris, Aldie Herd, George Chapman, Harry Darley, Jay Barrow, Jaycob Hodgetts, Joseph Walters, Oscar Herd, Sam Owen, Louis Dulson and Devon Torry.
