FIRST IMPRESSIONS - OUR FIRST CLUE ABOUT SOMETHING NEW - Nicole Frost 7S LKH & Mia Kara 7S LKH

This book's first cover looks really interesting. It may be a horror because it looks like there are two zombies looking through the window. From the blurb we know the boy's name is Luke, he has never been to school and never had a birthday party in all his life. He hasn't even stayed at a friend's overnight; in fact, he's never had a friend!
