NEWS & REMINDERS

Driver Awareness Talk

Malcolm Farrar will be visiting Sixth Form to speak to RST and RJM form groups this week during PM form time to discuss driver awareness as, sadly, statistically the Sixth Form age group is the most at risk.

Higher Horizons Plus

Year 12 will have access to the Higher Horizons Plus Government initiative and representatives will be visiting on Thursday and Friday AM tutor times this week to offer Higher Education workshops and residential opportunities.

Apprenticeship Providers

County Training and SBC Training

Nikki Norris (County Training) and Jason Harris (SBC Training) visited this week to discuss apprenticeship and training pathways with interested Sixth Formers.

Year 12 Work Experience

URGENT – All placements must be secured and confirmed by the first day back after Easter.

Have a great Easter from all of the Sixth Form Team!

Geography Fieldwork

Geography students investigated succession on sand dunes in Merthyr Mawr in South Wales last week as part of their fieldwork week.

Red Nose Day

Congratulations to Sixth Form for raising £288.80.
