NEWS & REMINDERS

Work Experience 19th – 23rd June 2017

Year 12 students are expected to have secured work experience placements by now. Students are welcome to speak to any member of the Sixth Form team if they are struggling to find placements. This is now a priority.

Parents' Evening

Sixth Form Parents' Evening will be held on Thursday 30th March. Students are required to attend even if parents are unable to join them. Please book time off work if necessary and make appointments with subject teachers.

University Visits

If students have planned absences such as university visits it is essential that they contact teachers and get work in advance of the absence.

Duke of Edinburgh's Award Expedition

Mr Moffatt reminded students who are taking part in the Duke of Edinburgh's Award at the weekend to have their kit prepared.

Hockey Fixture

A hockey fixture against Welshpool Sixth Form is being organised this week. More details will follow.

UCAS Direct

UCAS are offering an optional service which is designed to help students find a university place if ideas do not go to plan in the summer. Once signed up, universities can contact students directly from 5th July to mid-September 2017 (if you are eligible for Clearing) to offer places on courses that they think might be suitable for you. For more details, please visit [here](#).

OPPORTUNITIES

Morocco Expedition 2018

Following on from last year's success we are delighted to be able to offer this extraordinary and unforgettable experience again during summer 2018. If you would like to find out more there is a meeting being held on Tuesday 14th March at 6.30 p.m.

Moscow Trip 2018

There is a once in a lifetime opportunity for Year 12 students to go on a trip to Moscow in February 2018 half term. Students will be visiting Star City and the Memorial Museum of Cosmonautics, as well as sightseeing around Moscow. Please see Mr Thomas or Mr Jones (Science) if you are interested in attending.

The Orthopaedic Institute Ltd. 18th Annual Research Day

We hope that **Science Students**, and possibly our future generation of **Orthopaedic Consultants** or **Biomedical Scientists** and **Engineers** will attend the Annual Orthopaedic Research day on Thursday 27th April at the RJAH Hospital, Gobowen. This involves an informal educational exhibition and research laboratory tours from approximately 1.00 p.m. - 6.00 p.m. If you are interested please sign-up with Mrs Wyatt. Mini bus transport will be provided to the event but students will be asked to find their own way home. Places are limited and will be on a first come/first served basis.

Interview Advice and Training

Tom Newell will be coming in to talk to tutor groups during Thursday Form Times about interview preparation, tips, planning, appearance and body language. All forms will be spoken to over the coming weeks.
