SIXTH FORM

Issue 22

27th April 2017

NEWS & REMINDERS

Congratulations

Congratulations to Alex Wetton, Year 13, for securing a year's scholarship to study in the US for Senior Year. This is a fantastic opportunity and a prestigious award given by the English Speaking Union to candidates who show an excellent command of the English language and critical thinking abilities.

A huge well done also to Erin Hudson, Year 12, who has confirmed her work experience placement in the Bio-molecular research laboratories at Cambridge University. These places are highly sought after and reflects the strength of her application.

Holly Hutchon, Year 13, has successfully obtained a substantial bursary for her University course starting in September.

Orthopaedic Institute Research Afternoon – Thursday 27th April - 1.00 p.m. - 6.00 p.m.

Today a number of students will be visiting an informal educational exhibition which includes poster displays, presentations and various “hands on” exhibits relating to Research and Training in Orthopaedics, followed by laboratory tours. The afternoon will showcase the vital work taking place at the hospital and provide an opportunity to nurture interest and gain further knowledge.

UCAS Deadlines

Students need to be aware of specific UCAS deadlines, most notably confirmation of their firm and insurance offers/choices. They can find these on their UCAS profiles.

Student Finance

We advise that applications to Student Finance are completed as soon as possible to ensure students have finances for the start of their undergraduate course. Any issues with either of the above please contact [Mr Jones](#).

Student Council Prom Notice

Student Council members will be coming around form groups this week to collect money for prom tickets. The team will need to have received all prom information by Thursday 4th May.

Lanyards

For safeguarding reasons it is extremely important for all members of Sixth Form to wear their lanyards at all times whilst on site.

Gold Duke of Edinburgh's Award

Well done to the 23 students who took part in the Gold Duke of Edinburgh's Award practice expedition last weekend. The groups walked through Snowdonia National Park from Trefriw to Aberglaslyn over 4 days, camping for 3 nights in preparation for the expedition in July in the Rhinog mountains of Snowdonia.

Praise Certificates

Congratulations to all of the following students who achieved above target in at least two subjects according to the latest pillar data.
