

Dear Parent

As part of the careers guidance and education programme we deliver at The Marches School your child has access to New Kudos, the latest program from CASCAID.

New Kudos is accessible online and we are encouraging the use of it at home to involve parents with the important decisions your child has to make about their future options.

New Kudos will help your child to assess their interests and skills, as well as letting them explore and research different education and career options, enabling them to make informed decisions about their future.

To access the program please visit www.cascaid.co.uk/newkudos and click on the log in button, your child can then log in using the access details given to them by their teacher.

All CASCAID programs come with a comprehensive range of support materials including the Parents'/Carers' Guide to Careers Education & Guidance. This Guide will help you understand the options available to your child at each transition stage.

To view the Parents' Guide please visit www.cascaid.co.uk/support. The Guide will be available to download under the Product Support Resources section.

At The Marches School our aim is to ensure that all students have the resources to fully explore and research their future options in order to make informed choices. We hope that you find New Kudos useful and informative.

You can access Kudos from home with your child and create your own username and password using the following licence code: *Goallike32*

For any additional information about the careers guidance support your child is receiving, please contact Sarah Peacock

Kind regards,
