Dear Parents/Carers

**Year 9 Parents' Consultation Evening and Options Information Event
Thursday 8th February 4.00pm – 7.00pm**

Year 9 are now entering a very important phase in their education. In the run up to choosing their options for Key Stage 4 studies there will be a number of opportunities for the students and their parents to talk to class teachers. This **Consultation Evening and Options Information Event** is the first of these opportunities.

During the evening you will have the opportunity to:

- Make appointments to speak to your child's class teachers to review, with your child's subject teacher, their current attainment levels and their attitude/effort in class.
- To attend a talk about the options process which will be running in the Hall. This aspect of the evening provides you with important information about the Options Process as students prepare to take GCSEs next academic year. In order for you to plan your evening we will be running three option talks during the evening at 4pm, 5pm and 6pm, each talk will last for 30 minutes. Please allow time to attend the talk when booking subject appointments.

Students in Year 9 will have attended an Options Fair in school earlier in the day and will have been working through their options booklet with their tutor. You may wish to download a version via the school website at marchesschool.co.uk/parents-students/year-9-options-booklet/. This will be available from Thursday 25th January.

I do hope you will be able to attend both of these very important events, please complete the reply slip below or complete the online booking form which can be [found here](#).

Yours sincerely
