NEWS & REMINDERS

Easter Holidays

Students have been reminded that there are only 13 working days left until the Easter holidays so exam season is very much here and there is a lot going on this term in terms of end of year preparation.

Parents' Evening

Parents' evening is coming and is on Wednesday 28th March. This will be the final one of the year and the last ever Parents Evening for Year 13 students. Parents can confirm attendance by clicking [here](#).

A Level Drama

The examiner came in to view the A Level Drama group and though the results have not been disclosed yet, the staff members present could see how hard the students have worked.

Annual Orthopaedic Research Open Day

The Orthopaedic Hospital in Gobowen are having their annual Research Open Day on Thursday 26th April 1.00pm - 6.00pm. Applications to take part in the programme need to be in to Mrs Wyatt by 19th April 2018. It will be a competitive process as those wishing to enter will be competing against undergraduates.

Leading Learning Conference 2018

The school has been receiving outstanding feedback on the students who helped out at the Leading Learning Conference that took place on 26th February. They have been described as "mature, confident and polite". Ross McGill of Teachers Toolkit, who was speaking to delegates on the day, described the students as a "credit to the school".

Rugby Success

Students Pip Lantos and Phoebe Leslie-Miller both have a place on the RFU Valkaries Centre of Excellence training programme. A massive well done to Pip and Phoebe.

Graffiti

There has been some graffiti found across the site. If students see the graffiti, they have been encouraged to report it to a member of staff as soon as possible; the graffiti is not acceptable and does not reflect well on anyone at the school.

CLUBS & TRIPS

Chess Club

Chess Club is starting on Wednesdays after school and will take place in AW6. It is open to both upper and lower school.

Duke of Edinburgh

There is another expedition coming for those students who are participating in the Duke of Edinburgh award. For further information, please see Mr Moffatt.

Running Club

Running Club continues on Wednesdays and is open to runners of all abilities. Great for stress relief.
