## NEWS & REMINDERS

### Easter Holidays

Welcome back to all students following the Easter break. We hope that Easter has been productive and this continues into this half term as it is a crucial one.

### Asking Questions

During this crucial half term, students are reminded that they should be asking themselves the following questions in order to obtain the best results in the long run:

- Am I accessing the specialist staff at the Marches?
- Am I doing enough revision?
- Am I accessing tutors out of school?
- Am I getting to school early enough?
- Am I leaving school late enough?
- Am I healthy and well? (Eating, sleeping, exercising and drinking water)

### Year 13 Phased Stand Down

Year 13 will be stood down from Thursday 19<sup>th</sup> April during afternoon form time. They are still required to attend morning form time and afternoon form is optional. Year 13 will be officially stood down on Friday 25<sup>th</sup> May.

### UCAS

Students are advised to ensure that their firm and insurance places are set in stone if they are using the University Pathway.

### Student Finance

The deadline for Student Finance England to be completed is Friday 25<sup>th</sup> May. It is advisable that this is completed before then for peace of mind. Student Finance must be made aware of any change of circumstances (i.e. Course/University/Deferred Entry/Address Change).

### RAF Visit

After the success of the visit from the Royal Marines a few weeks ago, RAF service personnel will visit to give talks about possible careers in the RAF next Tuesday 24<sup>th</sup> April. Mr Jones will send out details about this on Milk.

### Sport Relief

Congratulations to those who helped with raising over £100 for Sports Relief before Easter. A special thank you to Oliver Beckett and Lara Bohanna who went around school selling cakes during the day.

### Role Models

Sixth Form Students have been reminded that they are role models to the pupils in lower school, on and off site, in the way they act, their language and in their demeanour.

### Auschwitz Presentation

A big well done to Ceri Jones and Freya Gilles-Foyes who did excellently in giving a presentation to Year 9 Pupils.

### CLUBS & TRIPS

#### Duke of Edinburgh

Congratulations to the students who have completed their bronze and silver Duke of Edinburgh Awards.

### Chemistry Olympiad

Congratulations to the students who have been recognised with certificates for the the annual

Chemistry Olympiad. The challenge is an opportunity for chemistry students to develop their problem-solving skills and apply familiar

knowledge in new and interesting contexts. As the scheme is aimed at Year 13 students, it is particularly impressive that three Year 12 students achieved bronze certificates and Alfred Longville, also in Year 12, achieved a silver certificate.

### Running Club

With the weather improving, Running Club continues on Wednesdays and is open to runners of all abilities. Great for stress relief!
