NEWS & REMINDERS

Sixth Form Review

A massive thank you to everyone for their contributions to the two-week review which has recently taken place. The reviewers viewed Sixth Form on Thursday and they were extremely impressed, therefore Mrs Boyes would like to thank each student for representing the school and themselves so well.

Mobile Phones

A polite reminder that mobile phones are only permitted to be used during free periods anywhere within the Sixth Form building but mobiles must not be seen or used on the main school site, unless under the explicit instruction of a teacher or tutor. Sixth Form students should respect the lower school policy on mobile phones.

Standards of Dress

With the colder weather creeping in with the shortening days, please can you review your clothing choices, to ensure that appropriate decisions are made so that everyone looks smart. Coats must be taken off during tutor times and in lessons.

UCAS

The UCAS deadline is on 15th October. There will be a prize for the first three applications that have been successfully submitted. We are looking forward to seeing offers come back.

Catering Survey

We have recently sent out a survey out via Milk to find out what students preferences are when it comes to their eating habits. Please complete this survey at your earliest convenience.

Attendance

The majority of students have excellent attendance. Please remember that you are working for yourselves and you should be taking active steps to be healthy as you are expected to have no less than 98 percent attendance.

University Open Days

If you are in Year 12 and would like to attend University Open Days, then you are welcome to do so. Please make us aware and we will take the necessary arrangements.

EVENTS

Sailing

There is a possibility of sailing taking place during the spring and summer terms, the cost of this will be approximately £16 per session.

If you are interested in sailing, please see Mrs Jones by this Friday, 12th October.

First Aid

First-aid sessions will take place during November, December and January. The course is limited to 12 people so sign up will need to take place straight away. You will find the sign up lists in the common room.

Science Lecturer Visiting

There will be a former University of Chester Science Lecturer visiting the Marches School on Thursday, so if you are interested in a Science related course, please attend S7 during Period 4 on Thursday.

Virtual Stock Market

If you are interested in Business, there is the chance to spend a virtual £10,000 on a virtual stock market in teams of 4. Please see Mrs Jones in B2 after school on Thursday.

British Wildlife Trust

This Thursday, the British Wildlife Trust are speaking to our Year 12 students and interested Year 13 students about the 'Growing Confidence' project that aims on working with 11 to 18 year olds. The project will focus on inspiring and up-skilling young people and raising awareness of the various career opportunities within the environment sector and beyond.

Sixth Form Running Club

Running Club continues to take place on a Wednesday afternoon from 3.30pm. Please see Mrs Wyatt for further information.
