Issue 3

## NEWS & REMINDERS

### Electronic Registration Fob

We will be introducing fobs which will allow staff to know when students are on and off site. The fobs are compulsory and they will require a £5 deposit each. Information regarding this will be sent out to parents and carers shortly.

The fobs will be an important tool to support safeguarding, so if there is an emergency, we are able to determine whether each and every student is on or off site.

### Probation

Probation ends on Tuesday 23<sup>rd</sup> October at 3pm. It is important to keep standards consistently high and to continue this into the next half-term.

### UCAS

The internal UCAS deadline is on 22<sup>nd</sup> November, which is just four weeks away. We are keen to stress that, as we do every year, it is better to complete applications earlier than the deadline. Offers are already coming in, which are proudly displayed between Mrs Boyes' and Mrs Jones and Mrs Wyatt's offices.

### Student Council

Application forms will be published before the end of the week to be completed over half-term.

## EVENTS

### Purple for Polio

As Thursday is a non-uniform day, can students please wear purple to celebrate World Polio Day.

If you would like to buy a crocus, there are still a few available in the office. They are £1 each and will help to save the lives of two children.

### Lip Sync Battle

Thank you to every one who took part in the Lip Sync Battle on Friday, we massively enjoyed it. Robinson won the battle, with Evans in second and Lane in third.

Prizes for the Lip Sync Battle, as well as the Pumpkin Carving competition will be given out on Thursday, as the school is closed on Friday.

### Open Evening

Sixth Form Open Evening takes place on Wednesday evening. Any help and support students can give from 5.30pm onwards would be greatly appreciated.

### Running Club

Running Club will resume on Wednesdays at 3.30pm after half-term.

## EDUCATIONAL TALKS

### Concord College

*Medic Autumn Lecture - NHS 70th Anniversary Lecture*

Mr Mark Cheetham, MD FRCS Consultant Colorectal and General Surgeon at Royal Shrewsbury Hospital, has a wide practice across colorectal surgery, general surgery and emergency surgery. He is a Fellow of the Royal College of Surgeons of England and a member of the Association of Coloproctology, the Association of Surgeons and the International Society of Surgery.

24 October 2018 6.15 - 7.15 pm

### University Centre Shrewsbury

*Becoming a Teacher*

This event is aimed at students who are in Year 12 and above, who are considering a career in teaching. The event will have four different sessions led by our lecturers who will give an insight into the different elements of teaching. It will offer an opportunity to meet current students as well as lecturers and ask any questions about the profession, as well as the application process and what it is like to study for a career in teaching.
