Dear Parent/Carer,

Year 11 Mock Exam Letter

Year 11 has started well and students and staff are working hard towards what will be an incredible year of results. We are already looking forward to events such as countdown to success, Sixth Form Open Day and of course The Prom when all the hard work is over.

Before that time we are starting to prepare students for the first round of two sets of mock exams.

These exams prepare students for the intensity of their June exams, allows them to understand the procedures in place and gives them the opportunity to see the progress they are making. We do this twice to track progress, install routines and prepare students for the exam endurance they will require.

Teachers will be taking the opportunity to examine key parts of the specification and we will be giving students the experience of a results day.

Students in form time, during the weeks leading up to the mock exams, will be focusing on revision skills and preparing for these important exams. Revision information will be sent out the week beginning 5th October so you can aid in the revision of students at home.

1st mock exams: 5th November 2018 - 16th November 2018

Mock results day & 1st Parents' Evening: 12th December 2018

2nd mock exams: 26th February 2019 - 8th March 2019

2nd Parents' Evening: 28th March 2019

Thank you for your ongoing support and we look forward to seeing you all at Parents' Evening on the 12th December 2018.

Kind Regards,

S. Newey

Mrs Newey
