## **Parent Governor Ballot Process – September 2019**

In the event that the number of nominations for Parent Governor exceeds the number of vacancies, a ballot will take place. This will take the form of an electronic ballot, using SurveyMonkey.

However, where parents/carers do not have access/prefer not to use electronic communication, a paper copy of the ballot paper will be made available.

### **Candidates**

Should you wish to provide a passport sized photograph to accompany your nomination statement, please provide this to the Clerk to the Local Governing Body, when requested.

During the ballot period, candidates should adhere to the following:

- No canvassing/campaigning.
- No handling of blank or completed ballot papers; parents/carers should be directed to put these in the box provided in Reception.

Candidates will be listed in alphabetical order on SurveyMonkey/ballot paper. Parents/carers should select their preferred candidate (**candidates** when there are two vacancies).

Should you have concerns regarding the ballot process, please contact the Marches Academy Trust Board of Trustees, via Victoria Jones, Director of Trust Governance: [jones.v@mmat.co.uk](mailto:jones.v@mmat.co.uk)
