MARCHES WEEKLY BULLETIN

Dear Parents and Carers,

Year 10 B route are preparing for their first GCSE in English Literature – the team have sent a great deal of guidance for revision through the MILK app, as homework or messages, please do have a look to support your child with the structure of their time between now and the first paper on **22nd May 2018**.

One excellent tool we have bought into this year, for Literature and most other subjects, is GCSE Pod, at www.gcsepod.com. Your child has a login and can access short structured videos to help them prepare.

Year 10 E route do not have the Literature exam on the horizon – however they do all have Year 10 mock exams. They should also be making good use of GCSE Pod and other materials from their teacher in their preparation.

If your child is in Year 10, please encourage them to make an application to join the **Year 11 Student Leadership Group**. Our Leadership Group lead on Student Voice, are ambassadors for the school, take on a legacy challenge to leave something behind after their year and build their skills and confidence for public speaking. It is a great opportunity open to all of Year 10, with application forms needing to reach Miss Griffiths by no later than **Friday 4th May**.

Let's get cooking club

There are 5 places left on this term's cooking club, open to any year group on a Tuesday after school. This will be starting on **8th May**. It is completely free and the students are able to take a family meal home with them (all ingredients provided). If you would like your child to take up this **amazing opportunity please contact Mrs Evans at evans.d@marchesschool.net**

Summer Serenade – Thursday 17th May

A musical celebration of summer – if we are lucky we may even get the weather back to go with it! Do come and join us for an uplifting early evening of music and song.

Academic mentors will then pick their top 3 and send them to their house leaders by **Friday 4th May**. House leaders will then select their top 3 to be judged.

Winners will have their photo on display and there are 100 points to play for in the pupils' competition, and 100 points to play for in the staff competition. Good luck everyone!

Historical Association Gold Quality Award

Congratulations to our History Department who have been successful in achieving the Gold Quality Mark from the Historical Association.

The Historical Association Quality Mark is an award that recognises the excellence of history provision in a school. The Quality Mark provides a framework for success in which to develop outstanding provision. There is a quality assured framework for a school working to achieve the Quality Mark to follow, with a clear assessment procedure delivered by independent Historical Association appointed assessors.

Congratulations to our History Department for the effort that they have put into achieving this award.
