

Dear Parents and Carers,

University Offers - Our Year 13 students are working hard and earning some incredible offers to study all manner of university courses from Veterinary Science to Engineering, English Literature to Photography. Congratulations and well done to Robbie Ackerman who has received an offer after interview from **Corpus Christi College Cambridge** to study Mathematics in September.

Ace of Cakes House Competition - What a brilliant competition that the Leadership Group got to judge last week. There was some tense debate before Stephens' Gorilla cake came out on top.

Half-Term Review – We have packed in so much and managed to enjoy everything whilst we do it. Classes have been focused and, for exam years, the support began with Resilience Day below. Enrichment beyond lessons is flourishing with a wealth of sports and the hall is now buzzing with life with rehearsal for the performance well under way – here's to spring 2!

Mrs Alison Pearson
Headteacher

REMINDERS & NOTICES

Free ADHD Talks

Shrewsbury School presents two **FREE** talks in conjunction with the Shropshire Dyslexia Association

NEW PERSPECTIVES ON ADHD
2-4.30PM-INCL Q&A

Geography Pong!

Year 10 students revising their most recent topic. Some serious competition, I might have to set up a league!

Miss Redfern

8W2 in the Eco Garden

Students worked to find organisms and discuss how energy is passed on through a food chain. We found some producers and consumers, and from that we put together a food web. All students did a brilliant job at piecing together food chains.

Mrs Keeling

Year 10 Work Experience is Back – Can you Help?

Can you help a student secure a place with your business or organisation? Work experience will run from the 4th–8th July. Please contact:

adrian.holmes@mar.mmat.co.uk

Year 8 Boys' Rugby

A strong team travelled to Packwood to start their County Cup run and had a great afternoon. The boys dominated throughout, with tries scored by 7 of the 14 players. I was particularly pleased to see both wingers score after some lovely passing. The referee awarded Marcus Adams player of the match for his dominant performance and the 4 tries he scored, but there were great performances across the board.

Packwood may have lost, but their spirit was undeniable, and they should be congratulated for their performance. We march onto our next game at home to Thomas Adams.

Mr Martin – Director of PE

Cadet of the Year Award

Well done to James Watson who won his award for his work with St John Ambulance.

FOCUS

Primary Sports – The Athletics final is one of the most enjoyable and exciting competitions that we host. Schools contest in indoor field and track events over three separate meets. Students from Whittington, Bryn Offa, Meadows, Morda, Oswestry and Trefonen met for the last time to compete in the final, all hoping to become the champions of 2022. This event is not possible without the support of the amazing primary staff and our superb Marches young leaders. Well done to **Whittington** for their win!

UPCOMING EVENTS

Click [here](#) to view our upcoming events. Events at a glance:

- Monday 28th February – PD Day for staff
- Tuesday 1st March – Return to school for all students
