We are delighted to be welcoming Alter Ego Creative Solutions back to The Marches on the 9th and 10th May with their Chelsea's Story production. This is a hard hitting innovative and powerful production highlighting the very serious and emotional issue of child sexual exploitation. The production shows how young people, boys and girls, are groomed by adults for the purposes of sexual exploitation using various methods, ensnaring young people and eventually taking complete control and dominating their lives.

We know from experience how impactful these shows are and how they can make a real difference to the safety and awareness of the young people in our care. As well as ensuring all our students can see the production, we are also opening it up to our local community. The production has been seen by hundreds of professionals and parents, who state that it has helped them understand the risks and recognise the warning signs of Child Sexual Exploitation for themselves and their friends and families. If you would like to attend, please follow the [link](#) to book your place.

The performance is not suitable for young people under Year 7.

Our grateful thanks to both Oswestry Town Council and Cliff Sagar of The Big Cigar Company for their support in funding this event. Without their contributions, it would not be possible to obtain such a high-quality production.
