Y12 and Y13 students will study 10 hours of MFL across the 2 week timetable. •A streamlined selection of key language patterns will be taught with emphasis on repetition, recycling and rehearsing . •Pupils will learn phrases or chunks with a long term aim of internalizing the patterns in the TL. Listening and reading activities (receptive skills) will be used to introduce and constantly model new language patterns. Speaking and writing activities will consolidate and strengthen these new structures with a view to pupils being able to speak and write with greater spontaneity and confidence (productive skills). •Interleaving (referring back to key language patterns and chunks on a regular basis) will be an essential part of teaching, giving pupils plenty opportunity to recycle language from parts of the term or year. •Home learning will be heavily reliant on core vocabulary and will develop automatisisation of chunks acquisition and manipulation through adapted activities. These will be a combination of listening, vocabulary, reading and grammar based tasks to complete. •MFL is heavily literacy focused and it is developed by using appropriate linguistic terms, functions, by comparing how similar or dissimilar languages are, and producing accurate TL occurrences. LORIC: Students will develop communication skills by expressing themselves and their interests on a range of topics. Furthermore, students will listen and respect the opinions of others whether it be similar or different to their own.	Governance and the United Kingdom’s relations with the rest of the world. Diverse national, regional, religious and ethnic identities in the United Kingdom and the need for mutual respect and understanding. Tolerance and harmony between different cultural traditions by enabling students to acquire an appreciation of and respect for their own and other cultures. An understanding of the importance of identifying and combatting discrimination. Students are able to express themselves and their identities. Students are given opportunities to discuss their likes and dislikes, whilst respecting those of others.	Assessment will take place at the end of each unit. This will test both knowledge of the unit and the skills of reading, writing, listening and translation. Students’ speaking skills will also be tested in the Autumn and Summer Terms. Two pieces of writing will additionally be deep marked per topic with opportunities for re-drafting. Vocabulary retention will also be tested in bi weekly vocabulary tests.
