Dear Parent/Carer,

### Year 13 Exams

As we approach the exam season, I would like to share with you some key dates and information.

- After school revision sessions continue to take place and all students are welcome to attend the sessions or revise in school until 4pm each afternoon.
- The summer series commences next week with BTEC Level 3 exams, A Levels begin on the 16<sup>th</sup> of June.
- The final possible date for exams is the contingency day on the 29<sup>th</sup> June, please do not book any holidays until after this date.
- All students must attend their exams, unlike internal examinations, there are no opportunities to sit them after the exam date.
- All lessons will continue for each subject until the final exam has taken place to ensure that the students are well supported throughout the period.

The students will receive a schedule for the exams and exam timetable from their tutor very soon. As always, the experienced Sixth Form Team are available to support all students through exam periods. Should you, or they, have any questions or concerns regarding the summer exams please do not hesitate to get in touch.

All students should be actively revising out of school as well as during the school day, ensuring that they also leave time for rest and recreation, please support them in managing their time well. There is certainly an air of focus and purpose in the Sixth Form!

Thank you for your support so far in their journey, we wish all the students well in their forthcoming exams. Once the exams are complete, we will be looking forward to seeing the students on **18<sup>th</sup> August at 8.30am** when they receive the results.

Yours sincerely

**Sarah Peacock**
