

Friday 17<sup>th</sup> March 2023

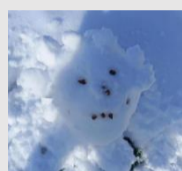

### Dear Parents and Carers,

Mrs Edwards has shared her match report from the **Year 7's North Shropshire Netball** competition. I saw the girls meeting up to go and they were very excited. These are the memories that live with them long after they have left us.

"It took us a few games to warm up but fantastic performances against Moreton Hall, Oswestry School and St Martins resulted in an overall 4th place finish. It was too hard to choose a player of the tournament as every player had moments of brilliance on the court. Well done to all and now on to the county tournament later this month. Meanwhile, Year 8 visited local rivals Oswestry School for a friendly game. It was a lovely atmosphere with the players getting to play in many positions, and for some, this was their first time representing the school at sport. The final score was 7-1 to The Marches. Well done all." **Mrs Edwards**

**Year Eleven and Thirteen** are now into their active revision stages – evidence is clear that the best use of their time is to do past paper questions and go through mark schemes. Teachers will be providing these and there is a wealth online. [GCSE Pod](#) is also a tool we have invested in that has a lot of recap tests. If your child is struggling to access this, please contact [Georgina.hughes@mar.mmat.co.uk](mailto:Georgina.hughes@mar.mmat.co.uk)

**Education in the snow** – PE lessons and Historical snow people.

## REMINDERS & NOTICES

### Young Nature Photography Awards Ceremony

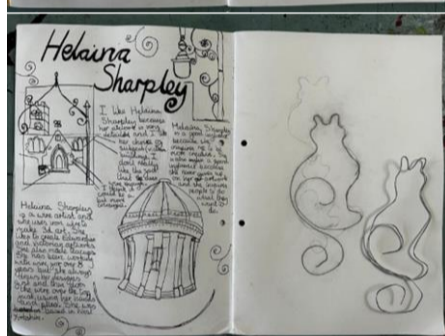

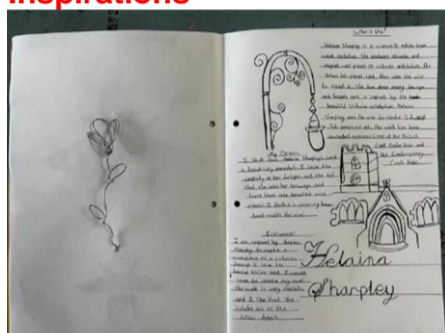

Luke Evans was awarded Highly Commended in the 14-16 age category. The prize was presented by Iolo Williams from BBC Spring Watch.

I had the biggest smile on my face when I heard the news!! It's great that Luke has done well and received recognition for his photography skills! After GCSE, Luke plans to take Photography A Level, myself and the creative team are excited!

### Learning about Learning - Metacognition

Students have enjoyed assemblies with the opportunity to engage with the weekly reflection process. Students were asked to reflect upon their learning activities this half-term about careers and consider 'so what' about their reflections, thinking about what they will do next to move their learning on.

With our bulletin this week -

## FOCUS

### Year 12 start their UCAS Journey

96 Year 12 students attended a UCAS event at Manchester Convention Centre. The students had the opportunity to explore the city and find information from more than 50 universities.
