Dear Parents and Carers,

Our uniform update is now on the website in full here. As well as the reduction in branded items, there are three other changes, from the parent survey. Tights do not need to be worn with the skirt in the summer term, a grade 2 minimum hair cut has now been changed to a minimum grade 2 on top, with fade at the back and sides permissible and all reference to skirt length or placing over the knee has been removed. The skirt style is not changed and it must not be worn rolled.

Remember Ram Leisure are offering free uniform delivery to school by the end of the months of April to July for orders placed before the 15th of each of these months.

The team of 100 teachers and 49 associate staff we are so lucky to have here, work with effort and care every day. People choose to work here because our vision - Achievement through caring - resonates with them. It aligns with their own values. The wealth of enrichment opportunities is just one demonstration of this. We offer more than any other school I know with trips abroad in most holidays. These are all possible through staff giving up their holiday and volunteering hours of their time to the planning and preparation needed. Alton Towers this weekend saw 400 students enjoying the results of this care - and long may it continue. "... the opportunity to go with his friends from school was amazing! He and his friends all loved it." A parent.

We could not have a more dedicated team, which your children benefit from every day, and whilst we never seek thanks - we have had a few incidences this week where adults contacting the school have let themselves down, it is not acceptable. Please remember that the team are human too and are entitled to being treated with politeness.

Easter School – my thanks to the teachers who are volunteering to come in to work with the Exam groups over the break as we countdown with Years 11 and 13.
