

Dear Parents and Carers,

It is our **Sponsored Walk** on Monday, students will need sun block, sensible shoes, raincoat and plenty of water. To allow students to leave after their walk, the consent form must have been returned.

In September, **students will be taking home exercise books** rather than leaving them in the room, unless the teacher has requested to see them for marking/feedback. This is to support students with homework and independence. Please bear this in mind when choosing new bags, they will need to be robust enough to be able to carry up to 5 A4 exercise books a day. We recommend a rucksack that can support the weight over two shoulders. Bags with open tops should be avoided as the rain can get in and cause damage to the books.

There will be no bulletin next week and so I will take this opportunity to **thank you for your support** in your child's learning and growth this year – it has been another good one with many highlights, I hope we all have a happy and sunny summer.

Spot the **Work Experience** Placements! Thank you so much to all our local businesses who have supported our Year 10 students last week, and Year 12 this week.

Headteacher
