

### Dear Parents and Carers,

Thank you for your support in sending the students back to school prepared – in great uniform and with pencil cases equipped for learning.

We are now able to share the report from the recent Ofsted inspection and are pleased to say that the school remains GOOD in all categories, and therefore GOOD overall.

This was a team effort over the two days of inspection and the lead inspector quite rightly wanted me to pass on her praise for the students for the role they play in making this school a happy and safe place to be, focused on learning with a strong curriculum.

You will see at the end of the report some areas to focus on for improvement, which are always found near the bottom of an Ofsted report. We are already working on these positive suggestions, for the benefit of all our students.

The report will be available on the Ofsted website within 8 days and will also be added to our website.
