Dear Parent/Carer,

Congestion and safety issues

The school for many years has had a **NO CAR** policy for parents and carers wanting to drop students on site.

With our barrier system now in place – there is no capacity for parents and carers who try to come onto site to collect or drop students.

Please factor this into your plans as reversing at the barrier is not safe.

Barrier access works on an intercom / staff fob; if you need to visit school during the school day, please press the button on the intercom to speak to reception.

Reception closes at 4pm Monday – Thursday and 3:30pm Friday - no access will be available after these times - please do not attempt to collect your child from afterschool clubs from the site.

If you must drop off and collect your child by car, please arrange an alternative location, avoiding Morda Road and Weston Drive where possible.

Access for emergency vehicles to the front of school needs to be maintained at all times.

Regular taxis and those students with specific medical needs will be given passes for vehicles to come onto the school site.

If your child has mobility issues and you wish to apply for an access pass, please email admin@mar.mmat.co.uk with the subject 'Access Pass' and a member of staff will contact you to discuss your specific needs.

Thank you for your co-operation.

Yours faithfully,

Mrs A Pearson
Headteacher
