

Dear Families,

I hope you have all had a good week. It has been another excellent one here and the students have been working incredibly hard.

Year Eleven and Thirteen are now into their active revision stages – evidence is clear that the best use of their time is to do past paper questions and go through mark schemes, teachers will be providing these. It is about 30 school days until the first exam!

House Bake Off

Our annual House Bake Off Competition took place before half-term, and students were tasked to create a pizza, either sweet or savoury. There were lots of entries to the design stage, with a tough choice for the House Captains to choose their finalists. It was a close competition on the night, but Isaac from Mallory took first place in the savoury category and Amelia from Bonington took first place for the sweet category. Well done all!
