

Dear Families,

I hope this message finds you all well and looking forward to a bit of sunshine.

Today marked one of the highlights of our school calendar - Sports Day! 😊 It was a fantastic celebration of teamwork, perseverance and school spirit. We will be sharing pictures and results very soon, so watch this space.

Last Friday, we also came together for another standout moment - our third annual Pride celebration here at The Marches School. This special event is a cornerstone of our ongoing commitment to inclusion, diversity, and acceptance. Pride provides a safe and vibrant space for students and staff to express themselves, deepen their understanding of LGBTQ+ history and culture, and come together in solidarity as allies. We are proud to be a school where everyone is welcomed, respected, and celebrated for exactly who they are.

On **Monday 21st July**, the whole school will embark on its twelfth annual sponsored walk. Thank you to everyone who has already completed the consent form for your child, we currently have over 300 responses. If you are yet to complete your child’s consent, please click [here](#) to take you to the online form which must be completed by Friday **11th July**. If you require a paper copy of the form, your child can collect this at Student Services. **Please note**, you will be asked your child’s tutor group when completing the form. This is the form tutor that they have been with since September. We would love to raise as much money as possible for our chosen charity this year - Lingen Davies. If you would like to make a voluntary contribution, this will appear as a trip on Arbor with a minimum contribution of £1.

REMINDERS & NOTICES

Year 7 Visit to Paris

Our students represented themselves and our school community so impressively well on their adventures to France. They had an amazing time! 😊

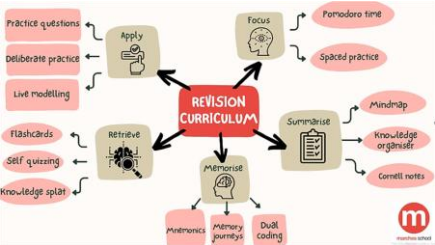

Revision Curriculum in KS3

At The Marches School, we’re proud to be embedding powerful learning strategies through our **Revision Curriculum** — not just in Year 11, but all the way from **Key Stage 3**.

🌸 This year, our KS3 students have explored:

- ✅ How memory works (and how to make it stick)
- ✅ The power of **flashcards**
- ✅ The impact of **self-quizzing**
- ✅ How to create **knowledge splats** — quick-fire brain dumps that show what you know!

🧩 Want to know more about our **Revision Curriculum**?

FOCUS

Year 7 County Cricket

Max Walpole and Adam Humphries, both Year 7 students, were selected to play for Shropshire U12 Cricket away vs Cheshire at Neston Cricket Club. Both played well and although it wasn’t a win on the day, each played their part. We are very proud of them both.
