

### Dear Families,

As we head into the last week of what has been an amazing autumn term, I just want to say a huge thank you for all your support. The partnership between home and school really does make a big difference, and we couldn't do it without you.

There is still a lot happening this week—our Rewards Shopping Trip and Christmas Dinner on Wednesday, and the Christmas Carol Service on Thursday. It would be fantastic to see you at the Church and celebrate together.

Have a wonderful break, enjoy the holidays, and we cannot wait to see you back in the spring term!

### REMINDERS & NOTICES

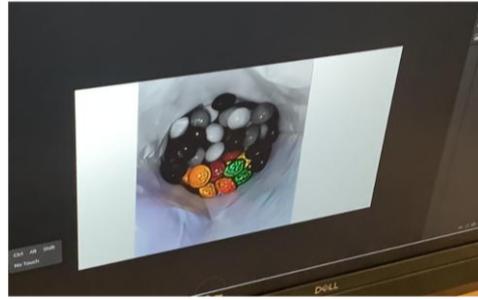

#### A Sweet Treat for our Year 11s!

After finishing their mock exams, our amazing Year 11 students were rewarded for their **conduct, effort, and resilience** with a well-deserved treat – **hot chocolate topped with cream and marshmallows!**

#### Mr Frances' Photography Class

They had a 'sweet' time editing their photos of sweets! 8W2 were challenged to take photos of their favourite sweets and edit the way they look using the different tools available to them.

#### Year 7 DT

In Year 7 this half-term, students have been designing and making Robots. Students have learnt about safety in the workshop and how to use basic tools to create a wooden Robot. Great work 7W2.

#### Crew Rewards Raffle

Every half-term, students who are in the winning Crew of the week earn a prize of being entered into a raffle. They can also have an early lunch or break pass.

### FOCUS

#### UK Senior Kangaroo Maths Challenge Result!

We are delighted to congratulate Year 13 student, Isla Rothera, on earning a Silver Certificate in the prestigious Senior Kangaroo Mathematics Challenge 2025. This advanced problem-solving competition is by invitation only for top performers (3%) in the UKMT Senior Mathematical Challenge. Achieving Silver, places her among the leading mathematicians nationally, demonstrating exceptional analytical skills and creativity beyond the A Level curriculum. Well done on this remarkable accomplishment!
