Working Towards	Expected Standard	Reaching Greater Depth	
To achieve 'Expected Standard' you will be able to....		W T	ES
	ES1. Describe the social and geographical changes to Britain during the Industrial Revolution such as rural to urban migration LINK TO SHROPSHIRE		
	ES2. Describe working conditions by providing evidence that supports and challenges an interpretation e.g. dangerous machinery, working hours and children in factories		
	ES3. Analyse living conditions in the Industrial era by annotating sources of Oswestry		
	ES6. Assess the significance of Jenner's discovery of vaccines by supporting an interpretation about his impact.		
	ES.7 Compare the lives of rich and poor using arguments for and against an interpretation.		
	ES4. Judge the most significant invention that changed the lives of people in the Victorian era using a hot air balloon judgement		
To achieve 'Greater Depth' you will be able to...		GD	
	GD2. Evaluate the importance of the class system over time- does it still play as much of a role in Britain today as in the 1800s?
