

Dear Families,

I hope you all enjoyed a good week. It has been another busy and exciting one here at school. We were delighted to welcome our Year 10 students back from work experience—and it has been heartening to hear such positive feedback from local employers and the wider community. Our students represented the school and our values brilliantly and should be proud of how well they conducted themselves. Our Year 12 students are currently enjoying work experience this week so we will look forward to hearing all about their time when they are back!

Yesterday, we celebrated Prom with our wonderful Year 11 leavers. The weather was glorious and students were celebrating in style under beautiful summer skies. It was a fantastic evening thoroughly enjoyed by all.

A massive thank you goes to Mrs Grassby, Mrs Heighway, Mr Pritchard and Mr Lee for their meticulous organisation, as well as to all staff who supported on the day and late into the night—it was a 15-hour shift for many! Their commitment and care make events like these truly special. We are very fortunate to have such dedicated staff.

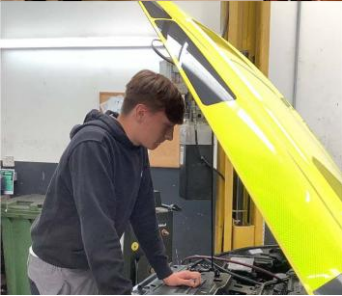

We are getting everything ready for our September timetable and as part of this, some teaching groups have been reorganised for September to reflect changes in student numbers and class structures. As a result, class codes may look different from previous years. Families should not be concerned if a class code appears lower or higher than expected, as the number of classes varies between year halves and subjects. Considerable care has been taken when creating teaching groups to ensure that all students are placed appropriately and are well supported in their learning.

Have a great week everyone!

REMINDERS & NOTICES

Year 10 Work Experience

Ben Jones in Year 12 running a PSHE session

Ben asked if he could deliver a session on AI and Philosophy. Ben is studying Politics, History and English - Ben is a keen student, driven by his passion for academia and deep thinking, so much so he planned and resourced a whole session entirely on his own. We are very proud – it was an excellent session!
