Tips for staying safe on social media

1. Use a strong password. Use a different password for each of your social media accounts.
2. If you have social media apps on your phone, be sure to password protect your device.
3. Be selective with friend requests. If you don't know the person, don't accept their request.
4. Click links with caution. Social media accounts are regularly hacked.
5. Be careful about what you share. Don't reveal sensitive personal information ie: home address etc.
6. Become familiar with the privacy policies of the social media channels you
7. Remember to log off when you're done.
8. Report any inappropriate behaviour to the site
