

Working Towards	Expected Standard	Reaching Greater Depth	
To achieve 'Expected Standard' you will be able to....		WT	ES
ES1. Explain the power of the Church over the lives of the people in Medieval England by inferring evidence from contemporary Doom Paintings.			
ES2. Compare the similarities and differences in Medieval Towns and Villages, and investigate the lives of people and the demographics of these places.			
ES3. Use CNOPC to develop key skills in analysing sources to support judgement on the usefulness of sources in researching Medieval towns.			
ES4. Name and explain the importance of the four humours to medicine, including the role of Hippocrates and how these affected treatments.			
ES5. Analyse the natural and supernatural methods of causes and treatments for the Black Death in 1348.			
ES6. Evaluate the effectiveness of cures of diseases in the Medieval period and their significance on modern medicine.			
ES7. Describe 4 crimes, their convictions and punishments, for people in the medieval era, and compare them with modern punishments.			
To achieve 'Greater Depth' you will be able to...		GD	
GD1. Judge in an opinion paragraph analysing whether the monarch or the church are more powerful in the medieval times and how this has changed over time.			
GD2. Evaluate how diseases and medicine shaped the lives of people in Medieval Britain			
GD3. Analyse how crime and punishment in the Medieval period links to other societal aspects and the developments of these over time.
